The second game of the twinbill would look very similar; 13 hits and several mustang batters getting the job done at the plate. Becca Snapp had a leadoff homerun over about a 200' fence in the top of the 3rd; also doubled & singled in the game to go 3-5. Taylor Ebert tripled and had 2 singles to go 3-4 with 4 RBI's. Jessi Snapp went 2-3, Caitlyn Larson 2-5, Megan Srna went 2-4 with a triple and 3 RBI's. Lauren Overkamp singled in the game. Behind just one defensive error, the mustangs played well throughout. Katie Hodges earned the win from the mound, striking out one.

We played with a little grit tonight. It was critically important to us to get a confidence boost before we headed into tough regional play this next week. 8 extra base hits and kids getting up to the plate with a little competitiveness. Kudos to these girls for their efforts tonight.

The mustangs finish their regular season at 11-9 and will host regional play on Monday, May 17th in a 6:00 game. On Tuesday, May 18th, McLouth is the host site for the semifinals and regional championship games.
