

## **Mustangs drop 2 to Red Raiders**

In games played on April 1 (postponed from March 31), the mustangs struggled, faltering 2-12 in each game. Credit Wamego for combining for 15 hits in each ball game, to the mustangs 5 & 8 hits respectively. "They (Wamego) outperformed us in every facet of the game from hitting to pitching, fielding to running, including their energy level. We need to be held more accountable as individuals and do what we are capable of doing, and performing at that high level consistently. Until we see that on game days we won't have a clue how good we can be."

In game one, Rock Creek managed 5 hits; doubles from Caitline' Christenson and Megan Srna, and singles from Jessi Snapp, Katie Hodges & Kelsey Quinn. The mustangs committed 5 errors in the game. Katie Hodges pitched for the loss, striking out one.

In game two, Rock Creek had 8 hits, doubles from Katie Hodges & Megan Srna - Srna also singled and notched a stolen base. Ashley McDaris singled twice while Jessi Snapp, Caitline' Christenson & Caitlyn Larson each had one. The mustangs played a better defensive game with only 2 fielding errors, but could not match the offense of the Red Raiders. Caitline' Christenson pitched for the mustangs, striking out two.

Rock Creek will have 2 sets of double headers this week for the varsity, including a salty Abilene team on Tuesday, before their first home game on Friday against Southeast of Saline. The Rock Creek JV team will open this week too, with games on Thursday at Abilene. Games at Abilene this week are a 4:30 start; while all home games this year for the Mustangs will be at 4:00.
